IN A HARBOUR

Report to the harbour authority by VHF or other recommend method

Respect local law and order

Follow the harbour rules

Do not carry out any noisy activities or loud work

Do not swim in the harbour

Do not throw waste into sea. Use appropriate waste containers

Do not discard hazardous substances into the sea

Do not release toilet waste into the sea

Only use appropriate cables and plugs to connect the boat to electrical enclosures

Fuel and take fresh water only at adequately equipped stations and follow the instructions given

Remember safe mooring at fuel or water quay
